

Rules for Google Docs Use

This is only for assignments the teacher gives you.

All work must go into your shared folder.

All work must be shared with your teacher only, unless you are told to share it with someone else.

Use only appropriate words and pictures.

You must tell a trusted adult if you see anything you don't recognize or is inappropriate.

Keep your password private. Only tell trusted adults.

If you happen to see someone else's password, do not share it with others.

All rules are the same both in school and outside of school when you use your Newton Public Schools Google Docs account.
